HAVE YOU EVER TRIED

On a Hart Schaffner & Marx Waist-seam?

Copyright 1919 Hart Schaffner & Marx

Then you haven't any idea of how becoming they are; almost every man and young man looks good in them. They're not just a fad, either; there's too good a reason for them; they give men the well set-up appearance, erect, full chested; narrow thru the waist.

That's why you'd better let us try one on you; there are variations here for everyone

They Fly Faster, Too.

Our coinage is symbolic of the change in America's attitude. On the new quarters the eagle is seen in full flight eastward, with beak and talons ready for action. On the old quarters the eagle simply stood still on its tall and flapped its wings. One claw held a few antiquated weapons, the other waved an olive branch, while its beak was entangled with a scroll.—Independent.

There Is No "Just As Good" As G. & B. PEARL Wire Cloth—

The wonderful durability of G. & B. PEARL Wire Cloth as well as its beauty is due to its metallic coating. The composition of and method of applying this coating is exclusive with us and used only on genuine PEARL. So—when a dealer offers you something 'just as good as PEARL'—he is mistaken. It isn't so. There can be no 'just as good.'

GILBERT & BENNETT
PEARL
WIRE CLOTH

Made in Two Weights
—regular and
Extra Heavy.

The day you screen with G. & B. PEARL you end trouble and expense. No painting—no repainting—PEARL lasts and satisfies. It is the handsomest screen and the cleanest as well as offering least obstruction to the vision.

Look for two copper wires in the selvage and the Round Tag bearing the Gilbert & Bennett name on each roll. They identify the genuine article, and for the sake of screen satisfaction they are worth looking for and insisting on.
